13 The Director of Agriculture seeks orders on 3 resolutions passed by the Bangalore Veterinary Hospital Building Fund Committee.

14 The first of these relates to the empowering of the Secretary of the Committee to draw the money belonging to the Fund from the Bank of Mysore as and when required without seeking sanction for each withdrawal.

15 This question had come up for consideration last year when it was ordered that it may be

Serial No.

deferred for consideration after the buildings to be constructed were settled by the Committee in consultation with Govt. Now that the programme of construction has apparently been settled and some of the buildings are already nearing completion, the time has arrived to pass orders on the question. There appears to be no reason why the Supdt., C.V.D., who happens to be the Secretary of the Committee and in whose name the Building Fund is deposited in the Bank should not be allowed to operate on the account without seeking sanction of Govt. every time.

16 The 2nd Resolution relates to the acceptance of a donation of Rs. 1,000 from Dharma Prakasha, B.V. Krishnaiengar for the construction of a separate block for Canine surgery in the name of his wife Mrs. B.V. Kamala Krishnaiengar. This may be accepted with thanks.

17 The 3rd Resolution relates to a contribution from Government of a sum equivalent to the donation made by the public to complete the Hospital buildings and provide for their equipment in a reasonable time. The Director's letter should have given full details in accordance with the Standing Orders of Govt as to the exact amount of contribution wanted from Govt for construction as well as equipment and also the period of time within which such contribution is wanted.

File No. of 193 . General and Revenue Secretariat

18 From the information available in the secretariat, it is seen that the total contributions for the Hospital buildings promised or received so far from private persons and local bodies amount to about Rs. 43,000 as per details given below :—

1) From 9 Donors referred to in the G.O. of 24-1-1933 .. .. Rs. 25,490.

2) From the City Municipality, Bangalore for putting up a Compound Wall .. Rs. 4,000

3) From Battadi Nanjundappa for a Parturition Ward .. .. .. Rs. 2,100

4) From the Bangalore Dt. Board .. Rs. 10,000

5) From Dharmaprakasha B.V. Krishniengar .. Rs. 1,000

Total Rs. 42,590

To this has to be added the offer of Mandy Merchant R.B. Rangappa to construct a Draw Well and two Water Troughs in the Hospital premises. These may cost at least Rs. 1,000.

19 It may therefore be presumed that the Committee want a contribution of at least Rs. 43,000 from Govt. This may not be required at once as only 2 blocks are said to be nearing completion. It may be spread over a number of years if it is decided to sanction it and payment may commence only after the private contributions are fully utilised. The Financial Secretary may be consulted.

following resolutions were passed —
(1) Empowering the Secretary to draw

the money from the Bank of Mysore as and when required for any particular purpose without the sanction of Govt.

4 In this connection, kind reference is invited to the Joint Secy's note dated 22/7/34 (Para 21 above). Now is for orders.

5 (2) Accepting the donation of Rs 1000/- made by Mr. B. V. Krishnaiengar etc.

6 This has been accepted in G.O. No 1) 4752-4/ C.V. 74-33-4 d 24/11/35- (vide serial 4 above) No further action is necessary

7 3) Contribution by Govt of a sum equivalent to that donated by the public for the completion of the Hospital buildings.

8 In this connection, kind reference is invited to the Members of Mysore dated 2/8/34 above. A sum of Rs 43,570/- (as detailed in Para 18 above) has been contributed by private persons. It is seen from the general abstract estimate for the hospital at Bangalore, that the total amount required for the work is about Rs 60,000/-. The amount that has to be still provided after taking into account the donations already made is Rs 16,410.

60 000
43 570
16,410.

But the 3rd resolution of the committee relates to the grant of a sum by Govt equivalent to that donated by the public. In this case the total amount that is required for the building is Rs 87,180/- as detailed below :-

Donations already received.	}	Rs 43,590.
Equal contribution by Govt.	} —	Rs 43,590
Total		Rs 87,180.

87,180 × 60,000 / 27,180

How the said sum of Rs 27,180/- has been arrived at is not explained. It is also not known why a sum of about Rs 43,590 is asked for from Govt when the actual sum that is required to make up the estimated amount of Rs 60,000 is only Rs 16,410.

Govt have, it is stated, not made any promise as to the repayment of the contribution beyond making a free grant of land for the building. In this connection kind reference is invited to the then Dir's letter No A 6-25/30-31 dated 28/9/31 in which it was distinctly stated that Govt would not be embarrassed for additional funds for this purpose. It is also stated that only a sum of Rs 23,000

F
C W - 81-27(1-45)

NOTE—Contn. Sheet.

of the total donation
has been spent on the building so far.
It is, therefore, too early to ask for an additional sum from Govt. Another point is that ~~to~~ a sum of Rs 16,400 to make up Rs 60,000/- may perhaps be obtained from other public spirited gentlemen if further appeal is made. In view of the definite assurance given by the Hon Dir and of the grant of land by Govt free of cost, the Dir may perhaps be asked further donations may perhaps be asked to be obtained as far as possible from the ~~the~~ public men for the completion of the building without burdening the Govt with additional funds.

But the present proposal of the Dir is that the plans and estimate for Rs 60,000/- may be ~~approved~~ sanctioned. They may may perhaps be sent to the Chief Engineer for verification in the first instance.

Submitted for orders with reference to the members minute (Para 26 above).

Govt 31/5/37

Resolution 1. To empower the Secy of the Committee to draw the amount belonging to the Fund either the Mysore Bank or the Union required without ref. to Govt

This suggestion is perhaps not possible. Vide Fin Dept note at para 21

Resolution 2: No further action.

Resolution 3: Govt to be requested to make a contribution equivalent to the donation of the public, to complete the building, & provide it with the necessary equipment. Donations have been received to the extent of Rs 43590. The estimated cost of the building is Rs 60,000 The amount still to be found is Rs 16410 In view of Resolution 4 that we may where asked to request the appeal for for further contributions this amount & the cost of equipment may be raised by this public donations. ~~Contribution~~ It will also be seen that a sum of Rs 23000 has been utilized on the building so far. Govt have made a free gift of the land and it is not known if it is open to make any contribution also as requested for. Even if this is to be done ~~if so it will be necessary to keep~~ the question will arise as after the entire amount so far contributed & that will hereafter be contributed are fully utilized and ~~it~~ there is still necessity for more funds. In that event a contribution to the extent that will be found to be absolutely necessary may be made, but no undertaking is now be given at this stage.

Final Note by the Second Member of Council.

Subject.—

Constructing the new Veterinary Hospital Buildings at Bangalore.

The question of providing a suitable building at a central place for the Veterinary Hospital at Bangalore has been under consideration for some years past. Government made a free grant of a site measuring 420 ft. x 330 ft. on the Bangalore-Mysore Road for the purpose. Through the efforts of a Committee constituted with a view to securing donations for the building, presided over by Sir K.P. Puttanna Chetty, offers to construct wards and blocks of the total value of Rs.43,590, from several philanthropic gentlemen in Bangalore have been secured, and a part of these donations in cash has been deposited in the Mysore Bank. The construction of the building was taken up urgently in anticipation of the sanction of Government and it is reported that nearly a sum of Rs.23,000 has been spent so far on the construction of the building and that the Hospital is being run in the new building since 21st January 1935.

The Director of Agriculture has now sent up for approval an estimate for Rs.60,000 accompanied by plans prepared by the Government Architect. The plans and estimate are suitable and I am of opinion that they may be sanctioned. The First Member of Council and the Dewan agree in this view.

The minutes of the last [illegible]t "Mashie Lodge" on 22nd December 1932, were read and confirmed.

Mr. K. Krishniengar then explained the progress made in the construction of the several blocks of buildings. He was glad to announce that:-

1. The main administrative block donated by Mr. Krishna Rao Sindia was almost completed.

2. The Cattle ward donated by Mr. Borojanna was also nearing completion.

3. Mr. Hanumanthappa, who had commenced the construction of the dog ward has since consented to construct the same on a separate plot marked out for the purpose.

The remaining blocks of buildings donated by the marginally noted gentlemen have not been taken up as yet, and the donors are being persuaded to commence the buildings as early as possible.

1. Mr. B.R. Rangappa.) " R.P. Rangappa.)	Cattle ward.	
2. " R.C. Byrappa.	Isolation ward.

5. " Chickbandappa.	Well and Water trough.	
6. " R.P. Rangappa.	An addition to Cattle ward.	
7. " Ulsoor Subbiah.		

Mr. Krishniengar then informed the Committee, that the Bangalore District Board had kindly sanctioned a contribution of Rs. 10,000/- and promised to provide this amount in their next budget. He also said that the City Municipality had

comme constructing the Compound Wall of the New Veterinary Hospiat a cost of about Rs. 4,000/-.

ion announced the total Cash donations towards the "Bui; Fund" deposited in the Bank of Mysore and informed the memb that Dharmaprakasha B. V. Krishniengar had donated -- Rs. 1/-, which was included in that amount.

following resolutions were passed:-

1ad Government Order No. D. 3744/C.V. 57-32-7 dated 6th February 1933, in connection with the operation of the Building Fund in the Mysore Bank. It was resolved that as the scheme of the buildings to be constructed had been approved by Government, the Committee considered that it is sufficient, if the Committee empowers the Secretary to draw the money from the Bank of Mysore as and when required for any particular purpose and that further sanction of Government does not seem to be necessary for each withdrawal.

lead letter from Dharmaprakasha B.V. Krishniengar desiring that his donation of Rs. 1,000/- be utilised for the construction of a separate block to be named after his wife Mrs. B.V. Kamala Krishniengar. It was resolved to accept his proposal with thanks and to put up a building for "Cannine Surgery" in the name of Mrs. B.V. Kamala Krishniengar.

As this Hospital serves a public purpose and useful to agricultural ryots and others, it was resolved to request the Government of His Highness the Maharaja of Mysore, to be so kind as to contribute for the completion of this Hospital a sum of money equivalent to that donated by the Charitable public, as this will ensure the completion of the Hospital buildings and their equipment with in a reasonable time besides being a further inducement to the Charitable public to come forwa rd withtheir donations more freely.

Resolved tha t the Secretary be asked to repeat the appeal for funds to philonthrophic persons and Institutions and canvass for greater support.

Resolved that the proceedings of the Meeting be published in both Kannada and English News-papers.

With a vote of thanks to the Chair proposed by Krishniengar, the meeting terminated.

SIR,

Adverting to your letter No.D.1067/C.V.74-33-2 dated 11th August 1934 enquiring as to the total estimated cost of Bangalore Veterinary Hospital buildings and whether any contribution was promised by Government etc., I have the honour to state that as can be seen from the enclosed estimate prepared by the Government Architect, the estimated cost is about 60,000/- and it is also reported that Government have not made any promise as to the payment of the contribution beyond making a free grant of land for the construction of the Veterinary Hospital thereon.

When the question of revising the plans and estimates of the Hospital building as suggested in your letter No.D.2022/C.V.81-27-4 dated 21-8-1929 was going on with the Government Architect, philonthrophic gentlemen came forward with their offers and the construction of the building was urgently taken on hand and the formal administrative sanction of Government thereof was not sought for. Until now nearly a sum of Rs.23,000/- has been spent on the building and the hospital is being run in the new building since 21-1-1935 as already reported to Government in this office even No. of 30-1-35

I therefore request you to be so good as to obtain early the formal administrative sanction of Government, for the construction of the building. The plans and estimate are enclosed, for kind perusal and return.

I have the honour to be,
Sir,
Your most obedient servant,

B. Sankara Rao Bahadur

Read 8 Correspondence ending with letter No RoC 2883/33-34, C.V 238 dated 15/5/35 from the Dir of Agriculture forwarding plans and an estimate for Rs 60,000/- for the construction of a new Veterinary Hospital buildings at Bangalore and requesting sanction for the construction of the buildings and stating that a sum of Rs 23,000/- has been spent on the buildings so far and that the hospital is being run in the new buildings from 21/1/35.

Order no. 405 dated 31.11.

The Construction of new Veterinary Hospital buildings at Bangalore at a total estimated cost of Rs 60,000/- as detailed in the plans and estimate is sanctioned.

The Govt of Afgn is requested to take up construction of the buildings in the order of importance.

Further attempts may be made to secure provision for the donations towards completion of the entire hospital buildings.

As it is not possible to provide funds in the budget for 1935-36, the question of a part grant may be taken up later if found absolutely necessary.
